ERRATA

Intra- and Intergeneric Similarities of *Agrobacterium* Ribosomal Ribonucleic Acid Cistrons

J. DE SMEDT AND J. DE LEY

*Laboratory of Microbiology and Microbial Genetics, Faculty of Sciences, State University,
B-9000 Ghent, Belgium*

Volume 27, no. 3, p. 226, Table 1—Continued: Footnote *b* should read “The G+C values for 14 *Arthrobacter* strains were taken from Skyring et al. (64). All others were determined in our laboratory on previous occasions by thermal denaturation.”

Serratia proteamaculans (Paine and Stansfield) comb. nov., a Senior Subjective Synonym of *Serratia liquefaciens* (Grimes and Hennerty) Bascomb et al.

PATRICK A. GRIMONT, FRANCINE GRIMONT, AND MORTIMER P. STARR

Department of Bacteriology, University of California, Davis, California 95616

Volume 28, no. 4, p. 509, column 1: The printer inadvertently dropped the last line of the first paragraph. The sentence should read “. . . built and followed quite different taxonomic systems.”
