ERRATUM

PCR fingerprinting of whole genomes, the spacers between the 16S and 23S rRNA genes and of intergenic tRNA gene regions reveal a different intraspecific genomic variability of *Bacillus cereus* and *Bacillus licheniformis*

D. Daffonchio, S. Borin, G. Frova, P. L. Manachini and C. Sorlini

International Journal of Systematic Bacteriology (1998), **48**, 107–116

The title of the paper was incorrect in the journal. The correct title is given above.
