Errata

Vibrio hispanicus sp. nov., isolated from *Artemia* sp. and sea water in Spain

B. Gomez-Gil, F. L. Thompson, C. C. Thompson, A. Garcia-Gasca, A. Roque and J. Swings

International Journal of Systematic and Evolutionary Microbiology vol. 54, part 1, pp. 261–265

On page 263, the printed and PDF versions of this paper give an incorrect value in the sentence at the top of the second column, which reads ‘The range of 16S rRNA gene sequence similarity within the *Vibrio* genus for *V. hispanicus* LMG 13240^T was 89·1–96·8 %’. This value should read 22–88 %, as in the full-text version in IJSEM Online.
