International Journal of Systematic and Evolutionary Microbiology (2005), **55**, part 5, 1979–1983

The type strain of *Thermopolyspora flexuosa*, DSM 43186^T, is incorrectly referred to in the abstract and text of the paper as DSM 41386. The correct strain number is given in the description of *Thermopolyspora flexuosa* comb. nov. at the end of the paper.
