Errata

Deinococcus ficus sp. nov., isolated from the rhizosphere of *Ficus religiosa* L.

W.-A. Lai, P. Kämpfer, A. B. Arun, F.-T. Shen, B. Huber,
P. D. Rekha and C.-C. Young

International Journal of Systematic and Evolutionary Microbiology (2006), 56, part 4, 787–791

The type strain of *Deinococcus ficus* is CCUG 51391, not CCUG 53391 as stated in the paper (E. Falsen, personal communication).

Reclassification of [*Flavobacterium*] *ferrugineum* as *Terrimonas ferruginea* gen. nov., comb. nov., and description of *Terrimonas lutea* sp. nov., isolated from soil

C.-H. Xie and A. Yokota

International Journal of Systematic and Evolutionary Microbiology (2006), 56, part 5, 1117–1121

On page 1119 (right column, penultimate sentence), the values given for the G+C content of the DNA are incorrect. The text should read ‘The G+C content of the DNA of strain DY^T (47.2 mol%) and [*Flavobacterium*] *ferrugineum* IAM 15098^T (48.9 mol%) was similar to that of their close relatives.’
