Errata

Comparative studies on [*Pasteurella*] *testudinis* and [*P.*] *testudinis*-like bacteria and proposal of *Chelonobacter oris* gen. nov., sp. nov. as a new member of the family *Pasteurellaceae*

Rikke Heidemann Gregersen, Claudia Neubauer, Henrik Christensen, Anders Miki Bojesen, Michael Hess and Magne Bisgaard

International Journal of Systematic and Evolutionary Microbiology (2009), 59, part 7, pp. 1583–1588

The DOI of this paper was given incorrectly in print as 10.1099/ijs.0.65867-0. The correct DOI for this article is 10.1099/ijs.0.007203-0.

Serratia nematodiphila sp. nov., associated symbiotically with the entomopathogenic nematode *Heterorhabditoides chongmingensis* (Rhabditida: Rhabditidae)

Chong-Xing Zhang, Shou-Yun Yang, Ming-Xu Xu, Jie Sun, Huan Liu, Jing-Rui Liu, Hui Liu, Fei Kan, Jing Sun, Ren Lai and Ke-Yun Zhang

International Journal of Systematic and Evolutionary Microbiology (2009), 59, part 7, pp. 1603–1608

The DOI of this paper was given incorrectly in print as 10.1099/ijs.0.65718-0. The correct DOI for this article is 10.1099/ijs.0.003871-0.

Enterobacter oryzae sp. nov., a nitrogen-fixing bacterium isolated from the wild rice species *Oryza latifolia*

Guixiang Peng, Wu Zhang, Huifen Luo, Hongwei Xie, Weihao Lai and Zhiyuan Tan

International Journal of Systematic and Evolutionary Microbiology (2009), 59, part 7, pp. 1650–1655

The DOI of this paper was given incorrectly in print as 10.1099/ijs.0.65484-0. The correct DOI for this article is 10.1099/ijs.0.005967-0.

Spirochaeta dissipatitrophica sp. nov., an alkaliphilic, obligately anaerobic bacterium, and emended description of the genus *Spirochaeta* Ehrenberg 1835

Elena V. Pikuta, Richard B. Hoover, Asim K. Bej, Damien Marsic, William B. Whitman and Paul Krader

International Journal of Systematic and Evolutionary Microbiology (2009), 59, part 7, pp. 1798–1804

The DOI of this paper was given incorrectly in print as 10.1099/ijs.0.65862-0. The correct DOI for this article is 10.1099/ijs.0.016733-0.
