Errata

Deinococcus aquiradiocola sp. nov., isolated from a radioactive site in Japan

Dalal Asker, Tarek S. Awad, Teruhiko Beppu and Kenji Ueda

International Journal of Systematic and Evolutionary Microbiology (2009), 59, part 1, 144–149

The JCM accession number for the type strain of *Deinococcus aquiradiocola* sp. nov. should be JCM 14371^T, and not JCM 14370^T, as given in the abstract and species description.

Description of *Enterovibrio nigricans* sp. nov., reclassification of *Vibrio calviensis* as *Enterovibrio calviensis* comb. nov. and emended description of the genus *Enterovibrio* Thompson *et al.* 2002

Javier Pascual, M. Carmen Macián, David R. Arahal, Esperanza Garay and María J. Pujalte

International Journal of Systematic and Evolutionary Microbiology (2009), 59, part 4, 698–704

In the abstract, the type strain of *Vibrio calviensis* comb. nov. is given erroneously as RE35/F12 rather than RE35F/12.

Marinobacter santoriniensis sp. nov., an arsenate-respiring and arsenite-oxidizing bacterium isolated from hydrothermal sediment

Kim M. Handley, Marina Héry and Jonathan R. Lloyd

International Journal of Systematic and Evolutionary Microbiology (2009), 59, part 4, 886–892

The accession number ATCC BAA-1649 for the type strain of *Marinobacter santoriniensis* sp. nov. is given in the abstract but was inadvertently omitted from the species protologue.
