Errata

Actinokineospora baliensis sp. nov., *Actinokineospora cibodasensis* sp. nov. and *Actinokineospora cianjurensis* sp. nov., isolated from soil and plant litter

Puspita Lisdiyanti, Misa Otoguro, Shanti Ratnakomala, Yulin Lestari,
Ratih D. Hastuti, Evi Triana, Ando Katsuhiko and Yantyati Widyastuti

International Journal of Systematic and Evolutionary Microbiology (2010), **60**, part 10, pp. 2331–2331

The type strain of *Actinokineospora cibodasensis* is ID03-0784, as given in the abstract, not ID03-0748, as given in the description of the species.

Williamsia faeni sp. nov., an actinomycete isolated from a hay meadow

Amanda L. Jones, Gail D. Payne and Michael Goodfellow

International Journal of Systematic and Evolutionary Microbiology (2010), **60**, part 11, pp. 2548–2551

In the description of *Williamsia faeni* sp. nov., the strain names NCIMB 14575 and NRRL B-24794 are given incorrectly as NCIB 14575 and NRRL B24794.
